

SERRATURA MAGNETICA
PER PORTE IN VETRO
A BATTENTE

MAGNETIC LOCK
FOR GLASS
SWING DOORS

M-LOCK

PLUS PRODOTTO

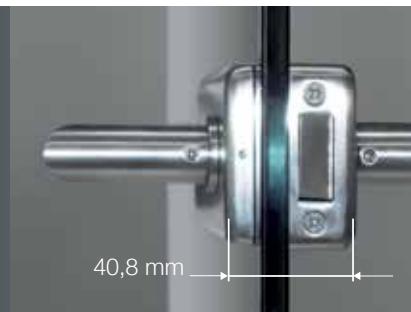

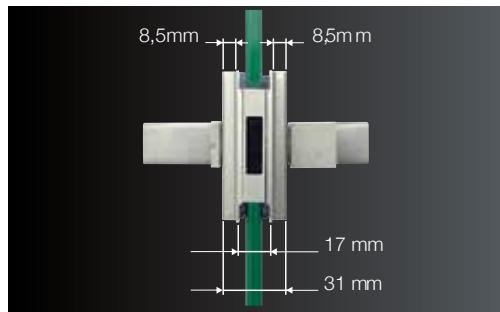

ADDED VALUE OF THE PRODUCT

DIMENSIONI ESTREMAMENTE RIDOTTE.

Ingombro minimo di serratura e riscontro grazie ai campi magnetici che non hanno bisogno di spazio per le dinamiche meccaniche.

EXTREMELY SMALL DIMENSION.

Extremely small dimension of lock and keeper thanks to magnetic fields that do not need space for the mechanical dynamics.

SERRATURA TRADIZIONALE E MAGNETICA A CONFRONTO. TRADITIONAL AND MAGNETIC LOCK IN COMPARISON.

SILENZIOSITÀ.

La serratura magnetica non mette in funzione componenti meccanici, quali scrocchi e catenacci tipici della serratura tradizionale, così l'apertura e la chiusura della porta avvengono in modo morbido e silenzioso.

FACILITÀ DI UTILIZZO E MONTAGGIO.

Non è necessario smontare completamente la serratura per posizionare lo scrocco in funzione del verso della porta.

DURABILITÀ.

Essendo totalmente magnetica, la serratura è fornita di meccanismi che non si bloccano nel tempo.

CARATTERISTICHE PRINCIPALI

MATERIALE

- Alluminio lavorato a CNC

SPESORE VETRO

- Da 8 a 12,76 mm

FINITURE

- Alluminio anodizzato argento
- Alluminio brillantato
- Alluminio simil inox
- Verniciato bianco Ral 9010 opaco
- Verniciato nero Ral 9005 opaco

CONFIGURAZIONI

- Porta con riscontro su stipite
- Porta con riscontro a vetro
- Funzione privacy
- Solo maniglia
- Con cilindro a doppia chiave

NOISELESS.

Opening and closing of the door happen silently and softly, because the magnetic lock doesn't activate mechanical components as bolts and latches typical of the traditional lock.

EASE OF USE AND INSTALLATION.

It is not necessary to disassemble the lock to locate the latch depending on the direction of the door.

DURABILITY.

Being totally magnetic is equipped with mechanisms that don't stop up during the time.

MAIN FEATURES

MATERIAL

- Aluminum processed by CNC

GLASS THICKNESS

- From 8 to 12.76 mm

FINISHES

- Natural anodized aluminium
- Polished aluminium finish
- Brushed Aluminium
- Painted Ral 9010 White opaque
- Painted Ral 9005 Black opaque

CONFIGURATIONS

- Door with lock strike keeper on jamb
- Door with glass lock keeper
- Privacy function
- Handle only
- Cylinder with double key

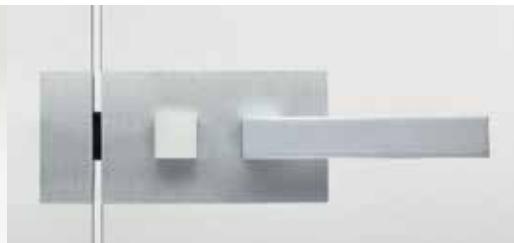

Serratura M-LOCK GO - Lock M-LOCK GO

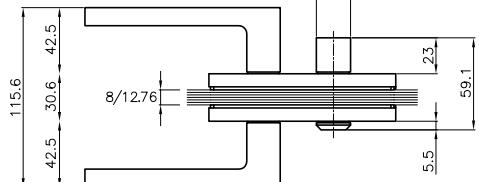

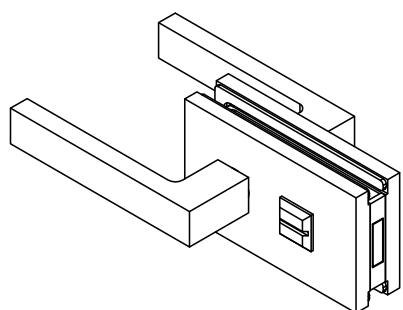

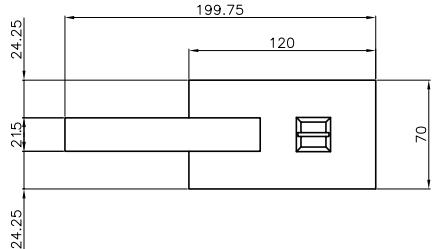

Chiave-chiave
Key-key

Opzione chiave-pomolo
Key-knob option

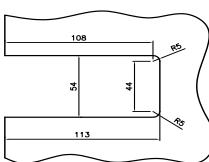

Con riscontro su vetro
With lock keeper on glass

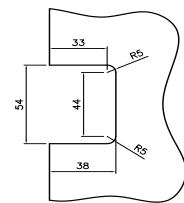

Riscontro a muro
Wall strike

Controcattella a vetro
Glass strike

Tacca su vetro
Glass cut-out

Tacca per controcattella a vetro
Glass strike cut-out

Serratura M-LOCK STOP - Lock M-LOCK STOP

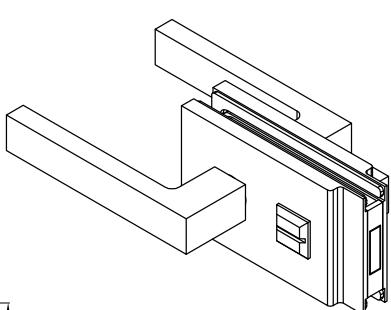

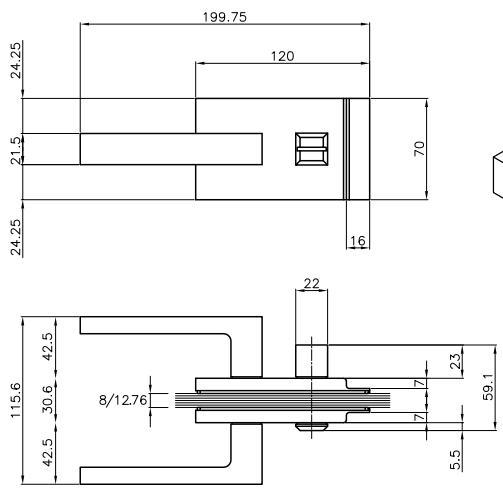

Con riscontro su stipite
With lock strike keeper on doorpost

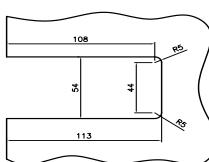

Funzione privacy con pomolino
e taglio a moneta

Solo maniglia
Handle only

Riscontro a muro con battuta
Wall strike with ledge

Tacca su vetro
Glass cut-out

FINITURE PERSONALIZZATE PER PROGETTI ESCLUSIVI **CUSTUM FINISCHES FOR EXLUSIVE PROJECTS**

GFS realizza finiture uniche e personalizzate di altissimo livello e design eseguite totalmente a mano.
Tutte le lavorazioni possono essere realizzate su alluminio, acciaio inox, ferro e ottone,
fino ad una dimensione di 3000 mm.

GFS means custom and exclusive finishes of the highest design level, completely by hand.
All applications can be performed on aluminum, stainless steel, iron and brass
with measurements up to 3000 mm.

Finitura verniciato nero opaco
Opaque black varnished finish

Finitura nickel nero lucido
Nickel polished black finish

COD.	DESCRIZIONE ARTICOLO	ARTICLE DESCRIPTION
E06L00101	Serratura magnetica "M-Lock Stop" con nottolino - finitura alluminio anodizzato argento	Magnetic lock "M-Lock Stop" with knob - anodized aluminium finish
E06L00102	Serratura magnetica "M-Lock Stop" con nottolino - finitura simile inox	Magnetic lock "M-Lock Stop" with knob - similar stainless steel finish
E06L00103	Serratura magnetica "M-Lock Stop" con nottolino - finitura cromato lucido	Magnetic lock "M-Lock Stop" with knob - polished chrome finish
E06L00105	Serratura magnetica "M-Lock Stop" con nottolino - finitura verniciato nero opaco	Magnetic lock "M-Lock Stop" with knob - opaque black varnished finish
*E06L00201	Serratura magnetica "M-Lock Stop" con cilindro - finitura alluminio anodizzato argento	Magnetic lock "M-Lock Stop" with key opening - anodized aluminium finish
*E06L00202	Serratura magnetica "M-Lock Stop" con cilindro - finitura simile inox	Magnetic lock "M-Lock Stop" with key opening - similar stainless steel finish
*E06L00203	Serratura magnetica "M-Lock Stop" con cilindro - finitura cromato lucido	Magnetic lock "M-Lock Stop" with key opening - polished chrome finish
*E06L00205	Serratura magnetica "M-Lock Stop" con cilindro - finitura verniciato nero opaco	Magnetic lock "M-Lock Stop" with key opening - opaque black varnished finish
E06L00301	Serratura magnetica "M-Lock Stop" solo maniglia - finitura alluminio anodizzato argento	Magnetic lock "M-Lock Stop" handle only - anodized aluminium finish
E06L00302	Serratura magnetica "M-Lock Stop" solo maniglia - finitura simile inox	Magnetic lock "M-Lock Stop" handle only - similar stainless steel finish
E06L00303	Serratura magnetica "M-Lock Stop" solo maniglia - finitura cromato lucido	Magnetic lock "M-Lock Stop" handle only - polished chrome finish
E06L00305	Serratura magnetica "M-Lock Stop" solo maniglia - finitura verniciato nero opaco	Magnetic lock "M-Lock Stop" handle only - opaque black varnished finish
E06L00401	Serratura magnetica "M-Lock Go" con nottolino - finitura alluminio anodizzato argento	Magnetic lock "M-Lock Go" with knob - anodized aluminium finish
E06L00402	Serratura magnetica "M-Lock Go" con nottolino - finitura simile inox	Magnetic lock "M-Lock Go" with knob - similar stainless steel finish
E06L00403	Serratura magnetica "M-Lock Go" con nottolino - finitura cromato lucido	Magnetic lock "M-Lock Go" with knob - polished chrome finish
E06L00405	Serratura magnetica "M-Lock Go" con nottolino - finitura verniciato nero opaco	Magnetic lock "M-Lock Go" with knob - opaque black varnished finish
*E06L00501	Serratura magnetica "M-Lock Go" con cilindro - finitura alluminio anodizzato argento	Magnetic lock "M-Lock Go" with key opening - anodized aluminium finish
*E06L00502	Serratura magnetica "M-Lock Go" con cilindro - finitura simile inox	Magnetic lock "M-Lock Go" with key opening - similar stainless steel finish
*E06L00503	Serratura magnetica "M-Lock Go" con cilindro - finitura cromato lucido	Magnetic lock "M-Lock Go" with key opening - polished chrome finish
*E06L00505	Serratura magnetica "M-Lock Go" con cilindro - finitura verniciato nero opaco	Magnetic lock "M-Lock Go" with key opening - opaque black varnished finish
E06L00601	Serratura magnetica "M-Lock Go" solo maniglia - finitura alluminio anodizzato argento	Magnetic lock "M-Lock Go" handle only - anodized aluminium finish
E06L00602	Serratura magnetica "M-Lock Go" solo maniglia - finitura simile inox	Magnetic lock "M-Lock Go" handle only - similar stainless steel finish
E06L00603	Serratura magnetica "M-Lock Go" solo maniglia - finitura cromato lucido	Magnetic lock "M-Lock Go" handle only - polished chrome finish
E06L00605	Serratura magnetica "M-Lock Go" solo maniglia - finitura verniciato nero opaco	Magnetic lock "M-Lock Go" handle only - opaque black varnished finish
E06L03101	Coppia maniglie "York" - finitura alluminio anodizzato argento	Pair of handles "York" for M-lock anodized aluminium finish
E06L03102	Coppia maniglie "York" - finitura simile inox	Pair of handles "York" - similar stainless steel finish
E06L03103	Coppia maniglie "York" - finitura cromato lucido	Pair of handles "York" - polished chrome finish
E06L03105	Coppia maniglie "York" - finitura verniciato nero opaco	Pair of handles "York" - opaque varnished black finish
E06L05401	Controcassetta a vetro per serratura "M-Lock Go" - finitura alluminio anodizzato argento	Glass Lock receiver for "M-Lock Go" anodized aluminium finish
E06L05402	Controcassetta a vetro per serratura "M-Lock Go" - finitura simile inox	Glass Lock receiver for "M-Lock Go" similar stainless steel finish
E06L05403	Controcassetta a vetro per serratura "M-Lock Go" - finitura cromato lucido	Glass lock receiver for "M-Lock Go" polished chrome finish
E06L05405	Controcassetta a vetro per serratura "M-Lock Go" - finitura verniciato nero opaco	Glass lock receiver for "M-Lock Go" opaque black varnished finish

* Opzione chiave-pomolo | Key-knob option +25,00 €
